WEDNESDAY MAY 12, 1886.

Stand by the Party. Remember, Democrats of Richmond. you are called upon to-day not only to nominate candidates for the City Council and the municipal offices, but to say in how far the integrity of the party organization is to be preserved. The effect of to-day's work may reach beyond the City Hall and the Council chamber. The number of votes polled may determine the measure of hope and the measure of effort of the Republican party to get possession of the city in the near future. As we said yesterday, the Republicans would not only glory in capturing the citadel of Virginia Democracy, but would run riot in it. We have bailled and beaten them so often that they would take a delight in humiliating our people.

Stand by the party, therefore, as well for the sake of the future as for the sake of the present. Stand by the party as well for the sake of Viginia as for the sake of Richmond. For Richmond to falter when a question of party organization is involved is to discourage the Democracy in other sections of the State. Stand by the party as a matter of city pride. Stand by the party as a matter of principle. Stand by the party as a matter of duty. Teach not only the Republicans, but the soreheads, a les-

I am sixty-eight years of age, and regard GUINN'S PIONEER a fine tonic for the ceble. By its use my strength has been restored and my weight increased ten pounds
A. F. G. CAMPBELL, Cotton-Gin Maker. MACON, GA., February 18, 1886.

I only weighed 128 pounds when I commenced GUINN'S PIONEER, and now weigh 147 pounds. I could hardly walk with a stick to support me, and can now walk long distances without help. Its benefit to me is beyond calculation. D. RUFUS BOSTICK, Cotton-Buyer, Macon, Ga.

My wife has regained her strength and increased ten pounds in weight. We recommend GUINN'S PIONEER as the best tonic.

appetite, digestion, and blood-making, stimulating, invigorating, and toning up all the functions and tissues of the system, and thus becomes the great blood-renewed Dr. Moore Often Prescribes It With Satisfactory Results. JOHN L. MOORE, M. D., Griffin, Ga. Wonderful Cures of Blood and Skin Diseases. Macon Medicine Company: You ask me what I think of GUINN'S PIONEER BLOOD RENEWER as a Blood Medicine. I will state that I have seen some very wonderful cures from the effects of it in skin diseases and blood diseases. It is with

RELIEF!

Forty Years a Sufferer from Catarrh. WONDERFUL TO RELATE!

"FOR FORTY YEARS I have been a victim to CATARRH—three fourths of the time a sufferer from EXCRUCIATING PAINS ACROSS MY FOREHEAD AND MY NOSTRILS. The discharges were so offensive that I hesitate to mention it, except for the good it may do some other sufferer. I have spent a young fortune from my earnings during my forty years of suffering to obtain relief from the doctors. I have trie patent medicines—every one I could learn of—from the four corners of the earth, with n relief. And AT LAST (fifty-seven years of age) have met with a remedy that has cured me entirely—made me a new man. I weighed 128 pounds and now weigh 146. I used rinteen bottles of the medicine, and the only regret I have is that, being in the humble walks of life, I may not have influence to prevail on all catarrh sufferers to use what has cured me—GUINN'S FIONEER BLOOD RENEWER.
